/Path

Self-Taught FullStack Javascript-Node, HTML, & CSS

June 2022 - October 2022

- Intermediate-Advanced HTML & CSS
- Organizational JS (Factory Functions, ES6 Modules, Classes, Webpack)
- Real World JS (Linting, Dynamic User Interfaces, Form Validation)
- Asynchronous JS and working with API's
- Recursion, linked lists, binary search trees
- Familiar with React, MondoDB, Mongoose, Express

Journey Of Self Discovery - *Or Why I Have a Three Month Employment Gap*

March 2022- June 2022

- Traveled to Scotland, Texas, & North Carolina
- Started a new novel (Working title *Primal*)
- Found a passion and talent for software development.

Simplified Impact LLC - *Copy & Content Writer, SEO Strategist (Full-Time)*

March 2021- March 2022

- Learned data driven strategies for optimizing content workflows.
- Worked with strict timelines from a remote location requiring excellent communication and initiative.
- Discovered that I deserved more than being overworked and underpaid, in an industry that expects workers to be essentially 'on-call' 24-7. (see **Journey Of Self Discovery)**

Ikea North - *Warehouse Assistant Seasonal (Full-Time)*

August 2020 - January 2021

- Worked closely with a small and dedicated team to manage a warehouse.
- Stayed mentally alert during long and physically grueling hours.
- Also wrote a short novel during the month of November.

EDUCATION

Emmanuel College - *B.A. in Writing, Editing, and Publishing*

September 2016 - May 2020

Major G.P.A. 3.7; Dean's List Recipient; Sigma Tau Delta International English Honor Society Member; Member of the Writers Block Club.
